

Disabled Access

In order to ensure equality at Pycroft Grange, we regularly monitor and update the physical environment according to the children's needs.

The school is on one level and there are ramps leading out of all exits. We have 3 external electric doors fitted, so that every child can be independent. All floors have carpets and every door is wide enough for wheelchair users to pass through.

Lighting has been fitted throughout the school to ensure children with visual impairments or epilepsy have the correct lighting to meet their needs. There have also been blackout blinds fitted in every classroom to ensure all the children can see the interactive whiteboards.

In key stage one and key stage 2 there is a disabled toilet. Within the COIN (Communication and Interaction Needs) there is a brand new disabled bathroom, which allows children to toilet independently and facilities to support pupils with personal care.

Recently a sensory room has been installed and this is integrated into children's weekly timetable.

The playground is accessible for all our children and the new Opal Play project is fully inclusive.

For additional information, please also see the Pycroft Grange Disability and Equality Scheme and Accessibility Plan, which is located under policies in the "our school" section of the website.

Characteristics of our school population (as of October 2019)

The 2010 Equality Act places a duty on the school to publish the following information:

Gender

	Nursery	Early Years	Key stage 1	Key stage 2
Boys	28	15	36	63
Girls	11	15	25	52
Total	39	30	61	117

Ethnic groups

White British 174	Bangladeshi 4
